9.15 - 10.30 1.25 hours	Workshop on implementing systems to comply with the RTAC Critical Criteria - Gap Analysis & Evidence Required	Dr. Adrienne Pope
15 minutes	Break	
10.45 - 12.00 1.25 hours	Workshop on implementing systems to comply with the RTAC Critical Criteria - Gap Analysis & Evidence Required	Dr. Adrienne Pope
12.00 - 13.00 1 hour	Workshop on implementing systems to comply with the Good Practice Criteria - Gap Analysis & Evidence Required	Dr. Adrienne Pope
13.30 - 14.00 30 minutes	Lunch	
14.00 - 15.00 1 hour	Workshop on implementing systems to comply with the Good Practice Criteria - Gap Analysis & Evidence Required	Dr. Adrienne Pope
15.00 - 15.15 15 minutes	Application Process for External Audit	Dr. Adrienne Pope
15.15 - 15.30 15 minutes	Break	
15.30 - 16.30 1 hour	Risk in ART - developing a risk register	Dr. Adrienne Pope
16.30 - 17.00	Summary	Dr. Adrienne Pope

The program will provide in depth information on the theory behind the Fertility Society of Australia (FSA) - Reproductive Technology Accreditation Committee (RTAC) Code of Practice International Edition 2014 critical criteria and good practice criteria requirements for ART units. This includes:

<i>INTERNATIONAL RTAC COP - CRITICAL CRITERIA</i>		<i>INTERNATIONAL RTAC COP - CRITICAL CRITERIA</i>	
1.	Compliance	8.	Ovarian Hyperstimulation Syndrome

Implementation Workshop - Reproductive Technology Accreditation Committee (RTAC) Code of Practice International Edition 2014

2.	Key Personnel	9.	Emergency Care
3.	Complaints Management	10.	Data Monitoring
4.	Adverse Events	11.	Data Reporting
5.	Identification & Traceability	12.	Donor & Surrogacy Requirements
6.	Medication Management	13.	Management of Infection Risk
7.	Multiple Pregnancy	14.	Informed Consent
RTAC COP - GOOD PRACTICE CRITERIA			
1.	Quality Management System		
2.	Patient Information		
3.	Reproductive Health of Infertility Patients		
4.	Cryostorage of Gametes & Embryos		
5.	Stakeholder Feedback		

The workshop will assist clinics in assessing the value of external certification auditing and the necessary preparation for compliance.

Even if not considering external certification to the Reproductive Technology Accreditation Committee (RTAC) Code of Practice International Edition 2014, the workshop will provide useful information on optimising ART practices to ensure efficiency, efficacy, safe service delivery and customer satisfaction.

Interested in improving outcomes and optimising service; perhaps considering venturing into Health Tourism, if so, this workshop may be for you!
